Workout!

As we step into March, the season of renewal and growth, we are excited to share updates, tips, and important information to keep our valued clients and community informed and supported. This month brings new beginnings, and we're here to ensure that your journey with Azure Specialists continues to be one of care, compassion, and convenience.

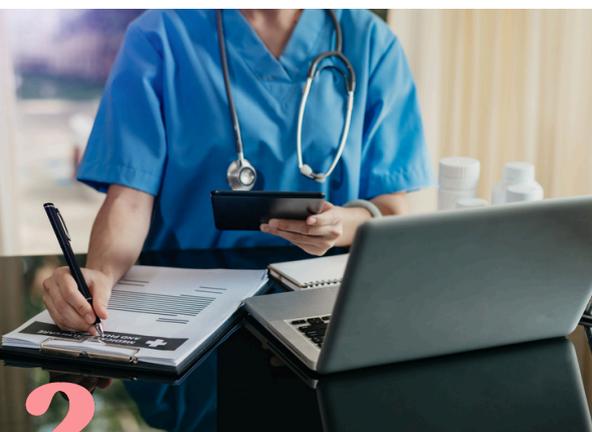

# 1 March Highlights: What's New at Azure

This month, we're proud to announce new enhancements to our care programs, ensuring a more personalised experience for each of our clients. Whether you need assistance with daily living, home modifications, or specialised care, Azure SHCS is here to provide tailored solutions.

## WHAT'S NEW?

**Expanded Home Care Service Providers:** We've partnered with more service providers to meet the unique needs of our clients.

**Training for Carers and Support Workers:** All of Azure Specialists Home Care Services carers and support workers undergo comprehensive training to stay up to date with best practices in aged care and home safety.

### Service Spotlight: Customised Care Plans

At Azure SHCS, we believe in providing care that is as unique as each individual. Our Custom Care Plans are designed to cater to your specific needs, whether you need personal care, nursing services, or assistance with household tasks. Our team takes the time to create a plan that works for you, ensuring you maintain independence and dignity while receiving the support you deserve.

- ✓ Use a pill organizer to avoid missed doses.
- ✓ Follow instructions carefully – some medications need food, others don't!
- ✓ Check the expiration date – expired meds may not work or can be harmful.
- ✓ Store properly – some medications need to be refrigerated.
- ✓ Keep an updated medication list for emergencies.
- ✓ If unsure, always ask! Your pharmacist or doctor is there to help.

## 3 Health & Wellness Tip: Tips for Safe Medication Use

### Client Story: Norin S' Heartwarming Experience with Nurse Nikki

This month, we're excited to share the story of Mr. Norin S., a valued client of Azure Specialists Home Care Services. Norin expressed his satisfaction with the recent visit from our nurse, Nikki. He described her as not only friendly but also a pleasure to talk to, making his experience even more positive and comforting.

# 5

## Meet the Team: Your Support System at Azure

Nurse Nikki Ty is a valued member of our Azure SHCS team, known for her dedication, warmth, and expertise. Her genuine compassion and ability to build trusting relationships make her a favorite among clients, ensuring they feel heard and supported. Nikki's recent visit to Mr. Norin S. is a perfect example of her exceptional care, where she not only provided professional care but also made a lasting positive impact with her friendly, comforting approach.

## Mind Teasers Challenge Your Brain!

# 6

### What Am I?

*I speak without a mouth and hear without ears. I have no body, but I come alive with wind.*

### Can you guess what I am?

Think you know the answer? Email your guess to [hello@azureshcs.com.au](mailto:hello@azureshcs.com.au), and if you're right, you'll be featured in our next newsletter!
